

## **WEEKLY SUMMARY REPORT**

Client: Needham DPW Dates: 07/15/2017 to 07/21/2017

Contract: Downtown Improvements

Contractor: MDR Construction Co., Inc. Inspector on site: SN

## WORK COMPLETED THIS WEEK

- Work took place during the day and night (two separate crews) this week
- Nearly all work this week was devoted to installation of a section of the brick paver crosswalk on the north side of Great Plain Ave. at the intersection of Highland Ave.
- Excavated and installed granite curb, hot mixed asphalt base, weep holes, bedding sand, and nearly completed the concrete brick paver installation on the north half of the Great Plain Ave at the Highland Ave. intersection
- Excavated for and installed the hot mixed asphalt base course adjacent to the north, east and west sides of the brick paver crosswalk at Great Plain Ave. and Highland Ave. intersection
- Continued to modify traffic signal sequences as required to accommodate the detours established for the crosswalk installation

## WORK ANTICIPATED FOR NEXT WEEK

- Work is scheduled to be performed during the day and night for the next week predominately on the brick paver crosswalk
- Contractor will complete the brick paver crosswalk on the north side intersection of Great Plain Ave. and Highland Ave. and switch over to begin the installation of the brick paver crosswalk on the south side intersection of Great Plain Ave. and Dedham Ave. sometime next week
- Complete the work on granite seat planters (not completed last week)
- Remove existing traffic detours and implement new detours to accommodate the brick paver crosswalk work at the Great Plain Ave. and Dedham Ave. intersection
- Implement any temporary traffic signal changes required due to detours and resulting traffic patterns.
- Remove old street lights (not removed last week)
