Subject: Eversource Weekly Update

Dear Municipal Officials and department staff,

Please find this week's **Project Note** which highlights the upcoming construction activities for the **West Roxbury to Needham Reliability Project**. Affected residents are being notified of these activities by our field Construction Services representatives. Typical hours of construction are between 7 a.m. and 5 p.m., Monday through Friday.

Week of July 23, 2018: *

Needham

- Middlesex crews will be out surveying the Project Route, and begin bringing some equipment to the MBTA right of way off of High Rock Street.

If any member of the public requires additional information about these construction activities, they may contact the Transmission Info hotline at 1-800-793-2202 or email TransmissionInfo@eversource.com.

If you have questions about any of the information contained in this e-mail or about any other Project-related matter, please feel free to contact me directly at any time.
