

Article 10

Sewer Enterprise Fund Cash Capital

- This article would transfer \$55,000 from prior warrant articles to supplement funding for Sewer Enterprise Fund fleet replacement.
- The cost to purchase vehicles has increased and is higher than what was originally budgeted due to factors such as availability, equipment changes, and price structure.
- Funding under this article will allow for the purchase of:
 - Unit 11 Sewer Division Pickup Truck replacement (originally funded in May 2023 - additional \$4,883), and
 - Unit 19 Sewer Division Heavy-duty Class 8 Dump Truck replacement (originally funded in May, 2022 - \$50,117)

The Select Board unanimously recommends adoption of this article.
